Dr. James Dobson had this to say of Pastor White and his message: I don't know of a message anywhere, anytime, that I have heard in my entire life that has expressed that thought better than Dr. Laurence White. The truth will never be articulated any more effectively than what we heard today. Pastor White's message touches me all the way to the soul of my being...Again, to Dr. Laurence White, thank you for the passion that we felt and heard today. Everyone ought to hear this message.@

Dr. Jerry Falwell describes Pastor White's role with these powerful words: A Laurence White is one of God's modern day prophets, a Peter Marshall for our time. If he had been alive 500 years ago, he would have stood beside Martin Luther, nailing the 95 Theses to the door of the Castle Church in Wittenberg, Germany, to initiate the Protestant Reformation. Laurence White is bringing a message of righteousness to America.@

Pastor White is married to Deborah Sue Hartman. They have three adult children, Adam, Aaron, and Sarah and one grandchild, Christian.
